Specific Requirements for Audition/Interview

Arts Administration — MA

Interview dates in Cincinnati are January 25-26 and February 15-16. Application, test scores, resume, and transcript are required for prescreening by January 2, 2013. Interviews are held by invitation only.

All applicants must forward results of the GRE (school code 1833, department code 2404) or GMAT (83C-4L-52). For international students, English proficiency is required, minimum IBT score of 100. Admission decisions will not be made until the scores are received. The 500-word applicant statement and resume must be sent as an e-mail attachment to ccmadm2@ucmail.uc.edu if not attached to application. Three letters of recommendation from teachers, employers, or similarly qualified individuals are also required. Personal and professional qualifications should be emphasized.

The Lindner College of Business and the College-Conservatory of Music offer a joint program leading to the degrees of master of business (MBA) and master of arts (MA) in arts administration. Students admitted to the joint program may earn both degrees in two years of full-time study rather than three years. Separate applications must ultimately be submitted to the College-Conservatory of Music and the Lindner College of Business, although applicants should file the CCM application first. All joint degree applicants must take the GMAT.

All incoming students, in both the MA and MBA programs, must complete the online Harvard Introduction to Spreadsheet Modeling course with a passing grade before beginning coursework in the fall. Please be aware that the online registration process for this course does provide a pre-test by which you can exempt yourself from taking the course.

For further information on the MBA admissions process, please contact the Lindner College of Business at graduate@uc.edu.

Ballet — BFA

Applicants may audition in Cincinnati or other designated audition site, or by video (please see page 19 for uploading instructions); however, for scholarship consideration an in-person audition is required.

The audition will consist of a traditional classical ballet barre and center followed by several combinations of pointe work (for women only). Dancers will then take the modern dance component, which consists of movement sequences demonstrating the ability to perform floor work and various rhythmic and spatially oriented structures. Off-site audition formats may vary slightly. Female dancers should bring ballet slippers, pointe shoes and have footed tights that can be rolled up to ankle or calf-length for the modern component of the audition. Traditional attire (black leotard and pink tights) is recommended. Male dancers should bring socks and ballet slippers as well as tights that can be rolled up to accommodate the modern dance component of the audition. Traditional attire (black tights and white t-shirt) is also recommended.

Other requirements include electronically submitting a solo variation from the standard, classical repertoire (women on pointe) to getacceptd.com/ccm. This video should include a short introduction of the dancer stating his or her name, name of the variation and name of the studio where the dancer trained. Variations may be performed in practice clothes or costume either in the studio or on stage. Performance tapes are acceptable but should show only the applying dancer. Applicants must also electronically submit (also to getacceptd.com/ccm) a full-length photo with the applicant dressed in regular ballet classroom attire, posed in arabesque en l’air (women en pointe). These submissions need to be received by December 1, 2012.

Request your appointment about the BA in Music with Mr. Paul Hillner via email: Paul.Hillner@uc.edu or 513-556-9479. Frequently Asked Questions

Do I have to fill out both a CCM application and a University of Cincinnati application? No. When you submit the CCM application from ccm.uc.edu/admissions, it will go to both CCM and the University of Cincinnati. The fee you pay for the online application covers the application fees for both UC and CCM.

Do I need to write an essay? All undergraduate applicants are required to write an essay as part of their online application. Undergraduates applying for the bachelor of arts in music, the bachelor of music in music history, or the bachelor of fine arts in electronic media or theater design and production must also write an applicant statement specifically for their major. (Please refer to earlier requirements for detailed description.) Graduate students write a 500-word applicant statement.

What is the College Prep Form, and who needs to fill it out? The College Prep Form helps the University of Cincinnati ensure that you meet the admissions requirements. Everyone who is required to send high school transcripts should submit this form. Ask your guidance counselor or principal to complete the form and send it to UC with your high school transcript. The College Prep Form can be found at admissions.uc.edu/content/dam/admissions/docs/collegepreform.pdf.

What is the Transfer Student Form, and who needs to fill it out? CCM honors the code of ethics established by the National Association of Schools of Music as well as the spirit of that code of ethics with respect to all of its programs. Therefore, students applying to transfer to a CCM major from any program at another university or college must have the Transfer Form (from ccm.uc.edu/admissions/forms) signed by a representative of the school where they are currently enrolled. We must have this form before you can be considered for a CCM scholarship.

Do transfer students need to submit high school transcripts and test scores? You are required to submit high school transcripts if you have earned fewer than 60 semester hours or 90 quarter hours of college credit. Test scores are not required if you graduated from high school more than one year before the date you intend to enroll at UC.

Do I need to take the GRE? All PhD applicants are required to take the GRE. For DMA applicants, please go to ccm.uc.edu/admissions/gre_requirements to see if the test is required for your specific area. Arts Administration applicants take the GRE or GMAT. For the dual MBA/MA program you must submit GMAT scores. Artist diploma applicants, MM applicants in all performance programs, conducting and all MFA applicants to the Theater Design and Production program are not required to take the GRE. For specific information regarding test sites and dates, go to ets.org/gre or mba.com.

Should I send my head shot, résumé or other supplementary materials? And where do they go? Test scores and transcripts for undergraduate applicants should be sent to the University of Cincinnati Admissions Office. All other materials (including transcripts for graduate applicants and letters of recommendation) are to be mailed to CCM Admissions. The head shots and résumés for musical theatre and drama applicants, should be brought to the audition. The DVD and picture for dance applicants as well as any recordings for music majors (including prescreening) should be uploaded to getacceptd.com/ccc.

Are there minimum test scores and GPA requirements? The University of Cincinnati does have minimum academic standards; however, CCM students are generally evaluated based on their application and audition, and applicants who do not meet the minimum requirements may still be admitted to their program. For further details on the minimum academic standards, contact the UC Admissions Office.

What is CHECK MY STATUS? Students can access “Check My Status” at ccm.uc.edu/admissions/status. This website will allow students to see which application items are missing. Undergraduates can also view when an admissions decision has been made.

Do I need to send in a prescreening recording before I can audition? Currently, all students applying for flute, conducting, voice, and clarinet (graduate applicants only) are required to submit a recording for prescreening before approval for a live audition. Composition majors must send in a portfolio of scores and should include recordings. Please refer to the specific requirements for each major and the recording guidelines on page 19. Strings, piano, and winds/brass (except flute and graduate clarinet) do NOT require prescreening. Please do not send prescreening materials if your major does not require them.

If I’m not invited to audition for voice in Cincinnati can I audition regionally? No. If you have been refused after submitting a prescreening recording, the faculty will not evaluate a regional audition.

How do I schedule my audition/interview date? Your audition/interview date will be scheduled when we receive your application. You do not need to call us to schedule your audition/interview date. You will be asked to request two different dates on the application and we do our best to schedule your first choice on a first-come, first-served basis. You cannot schedule an audition/interview before your application has been submitted, or by phone or e-mail. Once it has been scheduled you will be able to confirm your audition/interview at webapps.uc.edu/ccm/auditions/login.asp.

When and how will I be notified of my audition/interview date? You will be notified of your audition/interview date as soon as we schedule it. About two to three weeks after you submit your online application you will receive an e-mail directing you to a Web site where you can log on and view your audition/interview day schedule. This online confirmation will include your date and preliminary audition time. You will receive a second e-mail notice when your audition time is finalized, usually 7 to 10 days before the audition. If you will be auditioning or interviewing in...
Cincinnati, we recommend that you set aside the whole day when making your travel plans.

**What if I can’t attend my audition?** If you cannot attend your audition, please contact us in the CCM admissions office by phone (513-556-9479) as soon as possible. If you want to reschedule your audition please have another date in mind. If you are rescheduling due to a death in the family, inclement weather, plane cancellations, unified audition conflicts (musical theatre only), you will not be charged the audition change fee. For all other reasons, including illness, you will be charged $50 to change your audition date. If other dates are full we cannot guarantee a new audition date.

**Is it better to audition earlier, or to audition in Cincinnati instead of at a regional location?** No. We consider every student equally, regardless of where and when they audition. All of our different audition dates and locations have comparable acceptance rates, and you do not improve your chances by auditioning on a certain day or at a certain place. Our admissions committee is always aware of how many students have yet to audition when making decisions. If you are taking an instrumental or classical voice audition at a regional location, faculty from your major area will not be present; your audition will be videotaped so that they can review your audition personally. CCM faculty will always be present at regional musical theatre and dramatic performance auditions.

**When will I receive my admission decision?** Your admission decision will be sent to you as soon as a final decision is made, but no later than April 1. You will not hear from UC before your audition. Your admissions decision will come from CCM.

**If I am refused from CCM, can I still come to UC? Can I re-audit for CCM next year?** Yes. Please call UC Admissions at 513-556-1100 to change your intended major. Please note that certain university programs fill early in the application process. You may then re-apply for CCM the following fall by filling out a paper application found at ccm.uc.edu/admissions/forms.

**What documentation do I need to supply if I was home-schooled?** The University of Cincinnati Admissions office needs to see that you have completed the articulation requirements to be admitted. [(admissions.uc.edu/highschool/requirements)](admissions.uc.edu/highschool/requirements) If you have done an internet-based program, you should order your transcripts through that program and have them sent to UC. If you were in another type of school environment, the University needs to see how you learned the material, what you were evaluated against, and a signed document from your school district allowing you to be homeschooled. You will still need either the ACT or SAT standardized test. For more information, please contact UC Admissions at admis@ucmail.uc.edu or 513-556-1100.

**Will my AP, IB or CLEP credits transfer to UC?** Yes. The Transfer Credit Information website [(admissions.uc.edu/transfer/transfer_credit)](admissions.uc.edu/transfer/transfer_credit) will tell you exactly what credit you will receive at UC for your AP, IB, and CLEP scores.

**What scholarships are available?** All CCM applicants are automatically considered for a talent-based scholarship. These are awarded in the early spring based on audition results and the recommendations of our faculty. Incoming undergraduate freshmen may also qualify for the Cincinnatus Scholarship, awarded by the university, to academically qualified students [financialaid.uc.edu/sfao/cincinnatus).](financialaid.uc.edu/sfao/cincinnatus)

**What graduate assistantships are available, and how do I apply for one?** Assistantships are available in all majors except composition (composition majors can apply for the theory GA), euphonium and harpsichord. These assistantships are awarded based on merit, not financial need, and are distributed based on the recommendation of our faculty. Assistantships in accompanying, jazz studies, music education, music history, secondary piano, and theory require an additional audition/interview. There will be a section on the graduate online application to indicate your interest in these assistantships. To apply for a music education, secondary piano, or studio accompanying GA, a supplemental application [(ccm.uc.edu/admissions/forms)](ccm.uc.edu/admissions/forms) is required for pre-screening purposes.

**Can I double major within CCM or with another major at UC?** You may double major with two music majors within CCM. You will need to select two majors when you apply online. CCM students (except musical theatre and drama) may also double major with a program from the McMicken College of Arts and Sciences (excluding communication, psychology, and political science). We recommend that you contact the College of Arts and Sciences after you are accepted to CCM.

**If I am an international student, how do I get the I-20?** You must be officially accepted before an I-20 can be issued. When you are accepted you will need to verify funding using the Financial Certification Form [(uc.edu/international/services)](uc.edu/international/services). See international instructions on page 6 of this handbook or for more information, visit uc.edu/international/services/students/prepare.

**I cannot choose my intended CCM major on my application. What do I do?** You have most likely started an application to the University of Cincinnati, not CCM. Please log out of your current application, then close and reopen your browser. Begin again from ccm.uc.edu/admissions/application and click the application link for your level of entry (Undergraduate or Graduate). You must create a NEW USERNAME AND PASSWORD at this point and start the application over.

**Check My Status still shows that some items I submitted via getacceptd.com/ccm are missing. Why is this?** Since getacceptd.com is a third party website, items uploaded to this site will not import into Check My Status. Please use your upload confirmation e-mail from getacceptd.com as confirmation that we have received your materials. You may ignore the missing item(s) on Check My Status.
