Your home away from home.

UC is home to sixteen different residence halls with three different styles, all accessible to first-year students.

TRADITIONAL

Traditional residence halls are coed, either double or quad rooms, with a lounge for each floor. These halls feature a kitchenette, and big screen TV in the lobby.

SUITE

Suites have four people in two bedrooms, connected via a shared bathroom.

APARTMENT

Apartment style housing unit types range from spacious studio apartments to one, two, and three bedroom floor plans.

DINING

All students who live at the Uptown campus have an unlimited, all-access meal plan to any of our four dining halls. Each dining center offers vegan, gluten-free and allergy-sensitive options.

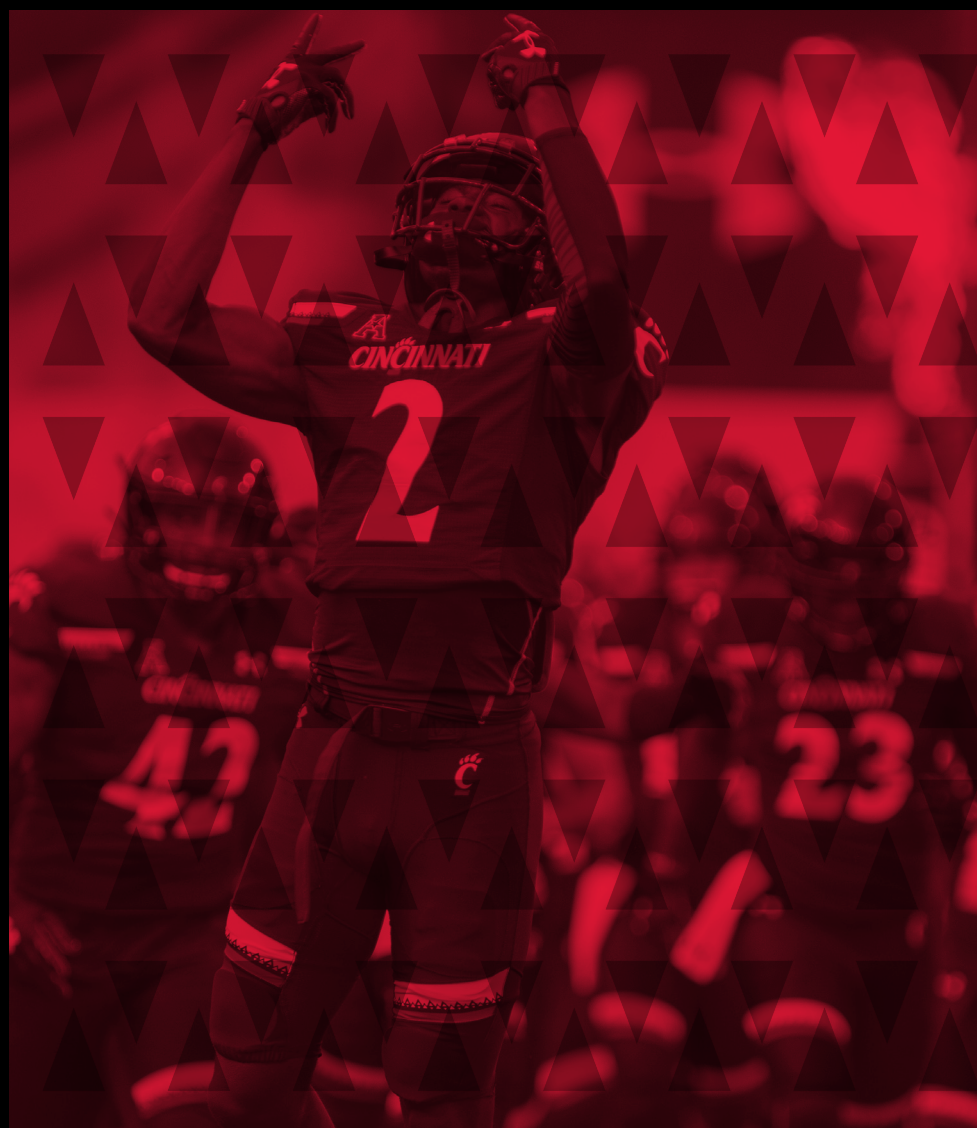

"I had a wonderful time living on campus. I loved that I could walk anywhere on campus relatively quickly and one of the favorite things about living on campus is there always being something going on."

RILEY MEIER, CLASS OF 2027

There's something for everyone.

We pride ourselves on having an exciting campus experience for students.

Whether you join one of the many student clubs and organizations, partake in student government, or join an intramural sports team, there's something for everyone to enjoy on what Forbes Magazine calls "one of the world's most beautiful campuses."

The Value of a UC Education.

Attending college is an investment in your future, and we work to ensure that each student gets their money's worth. Students that graduate with a degree from UC see a big return on their investment and go out into the world with the skills and knowledge necessary for them to succeed.

Between UC's three unique campuses, you'll have multiple pathways and opportunities for two-year, four-year, and advanced degrees. Our personalized career preparation, 500+ student organizations, unrivaled school spirit, and big city energy come together to create a one-of-a-kind college experience. We value the unique backgrounds, experiences and perspectives of our students, faculty, and staff, and UC works hard to create a community that is welcoming, affirming, and empowering for all. We're proud that Insight to Diversity named UC a 2021 Diversity Champion, and we are even more proud to say that UC is a place where you will belong.

12.2%

Bearcats graduate with 12.2% less student debt than peer institutions (on average).

96%

96% of UC graduates are either employed or continuing their education within six months of graduation.

62K

VETERANS PROGRAMS AND SERVICES

If you are a current member of the United States Military, a veteran, or an eligible dependent of a veteran, you can expect to receive quality and expedient service from our dedicated Veterans Programs & Services staff.

GEN-1

Gen-1 is a groundbreaking University of Cincinnati program that is the nation's first living-learning community to focus on first-generation college students. The program promotes a successful college transition through academic and social support.

Enhance your Education.

COOPERATIVE EDUCATION

UC created co-op learning over 100 years ago to help students make the transition from school to work while receiving academic credit by combining classroom-based education with practical work experience. Students graduate with up to 1.5 years of real-world experience!

Our innovation paid off. Today, 100% of UC students are participating in experiential learning, regardless of campus. However, only some programs require co-op.

Students in co-op programs will alternate academic semesters with semesters spent working full-time in their chosen field, while receiving a salary.

To date, UC co-op students have collectively earned \$75 million during their program duration.

NOTABLE CO-OP PARTNERS

- » GE Aviation
- » Kroger
- » Disney
- » Procter & Gamble
- » Toyota

LEARNING BEYOND THE CLASSROOM

At UC, we've established so many ways for students to explore hands-on learning experiences that prepare them for their careers after college.

CLINICALS

UC has built partnerships with 6 major local institutions both on and off our Medical Campus to provide students access to clinicals to further their real world understanding.

RESEARCH

As a Research 1 institution, University of Cincinnati offers Undergraduate students options to participate in research through coursework or an apprenticeship-style experience under the direction of a faculty member.

SERVICE LEARNING

Students combine reflection with structured participation in community-based projects and non-profits to achieve specific goals as a part of program requirements.

INTERNSHIPS

Internships may be full- or part-time, but generally require fewer hours of work (8-12 hours per week), and may occur while the student is still taking other classes.

STUDENT TEACHING

Student teachers will receive 2-4 different school placements for student teaching throughout their degree, depending on the type of education they study.

Make the world your campus.

1,500

1,500 students pursue study abroad.

98%

98% of students receive scholarships for study abroad.

STUDY ABROAD

The University of Cincinnati offers a variety of excellent programs abroad. There are programs that last for 1-3 weeks, a summer, a semester or an entire year, and opportunities are available for all UC majors and qualify for course credit. UC students have visited over 60 countries, including Germany, Ireland, France, and Japan.

DIRECT ADMIT TO MAJOR SELECTED

Students are admitted directly into a major – there is no secondary application. If a student is not admitted to their first choice major, we review for other fit programs which includes academic programs at our regional campuses.

TEST OPTIONAL

University of Cincinnati is test optional. The only program that will require a standardized test score is the Bachelor of Science in Nursing. Students are reviewed based on the entirety of their application, not just GPA and a test score.

PRIORITY APPLICATION

The priority application deadline is December 1.

This includes the deadline to be reviewed for the University Honors Program and merit-based scholarships. The UC College Conservatory of Music has different deadline dates. *Cincinnati Decision Day is held in January of each year for students who apply to UC by December 1!*

ROLLING ADMISSION

The rolling admissions deadline is March 1, but some programs will close on December 1. We encourage applicants to complete their application by December 1.
