

LEARN ENGLISH THE ACE WAY!

Accelerated College English (ACE) Program

The ACE Program was created for students who are academically talented but need additional support with their English language. ACE is a direct-admit program in which students start working on their bachelors degree their first day of classes. Integrated with international and domestic students, ACE students have an "all access" pass to the University of Cincinnati, which includes our world-renowned cooperative (co-op) education program, internships, research, and more!

DEDICATED FACULTY & STAFF

Students benefit from having a dedicated ACE academic adviser & faculty that assist them with their personal and professional needs and goals.

DIRECT ADMISSION

All classes taken during the ACE Program count towards a bachelors degree, enabling students to graduate on time in four or five years depending on major.

SCHOLARSHIP

Students who enroll for the spring 2021 semester are eligible for a \$15,000 annual scholarship.

Apply by January 3 for Spring 2021 Admission
