

TRANSFER ARTICULATION AGREEMENT

Cincinnati State Technical & Community College
Associate of Science (AS/ASCI), No Concentration
to
University of Cincinnati, College of Arts & Sciences
Bachelor of Arts, Biology

Originating Institution: Cincinnati State Technical & Community College
Degree/Program: Associate of Science (AS/ASCI) / No Concentration

Target Institution: University of Cincinnati / College of Arts & Sciences
Degree/Program: Bachelor of Arts (BA) / Biology

Introduction: This agreement details the applicability of courses from the Cincinnati State Technical & Community College AS/ASCI to the BA Biology program in the UC College of Arts & Sciences. Students who complete the AS/ASCI at Cincinnati State Technical & Community College have partially satisfied the UC General Education requirement.

Articulation Overview: Graduates from Cincinnati State Technical & Community College who have followed the prescribed program and are accepted into the UC College of Arts & Sciences will enter into the third year of the of the BA Biology program.

Admission Criteria: *Note: completing the courses on the appendices below does not guarantee admission to the UC BA Biology program.

Minimum GPA: 2.0

BA Completion: Completion of this program may require more than four semesters to complete due to prerequisite requirements and the order in which required courses must be taken and are offered. UC academic advising staff will work with each transfer student to develop the most expedient pathway to graduation.

Admission Period: Cincinnati State Technical & Community College students must be admitted to the UC College of Arts & Sciences during the duration of this agreement (i.e. between July 2023 and July 2024).

Agreement Execution Date: July 2023

Agreement End Date: July 2024

EXECUTION, DURATION AND REVIEW OF AGREEMENT:

This agreement becomes effective upon its signing by the Deans of both Colleges and will remain effective for one year. At the end of this time, the agreement will be reviewed and may be renegotiated. Cincinnati State Technical & Community College and the UC College of Arts & Sciences agree to keep one another informed as program changes affecting the agreement occur. The Deans of both Colleges will agree upon any future additions and/or amendments to this document in writing.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum.

Cincinnati State Technical & Community College students are encouraged to work closely with their academic adviser to monitor possible changes.

BA Biology credit hours remaining		56	
Transfer credits from Cincinnati State		64+	
Total hours to complete BA Biology degree		120	

Appendix B: Curriculum Equivalencies & Sample Transfer Degree Map

The following suggested course sequence includes all course requirements for this articulation agreement (e.g. courses required for the Cincinnati State Technical & Community College AS/ASCI and remaining UC courses for the BA Biology). You should consult with an academic adviser each semester to ensure you maintain appropriate degree progress and are fulfilling all requirements for the agreement. Course sequencing below assumes a fall start date. If starting the program during any other term, please consult with your academic adviser. For details beyond course planning, please consult with your academic adviser or the Transfer & Transition Advising Center.

Students are required to complete MAT 131 Statistics 1 and MAT 251 Calculus 1 at Cincinnati State.

SEMESTER 1 (Fall)					
Cincinnati State			University of Cincinnati		
Course ID	Course Title	Cr Hr	Course ID	Course Title	Cr Hr
