TRANSFER ARTICULATION AGREEMENT

Cincinnati State Technical & Community College, Associate of Applied Science, Computer Network Administration – Computer Support Major (CSA) to University of Cincinnati, College of Education, Criminal Justice, & Human Services, School of Information Technology, Bachelor of Science, Information Technology

This Bachelor's Degree Completion Agreement ("Agreement") is made by and between the University Of Cincinnati College Of Education, Criminal Justice and Human Services, on behalf of the School of Information Technology (UC-CECH), and Cincinnati State Technical & Community College on behalf of the Networking and Support Systems department, and collectively the "Parties".

Whereas the Parties have mutual interest in filling the shortage of qualified information technology professionals in the State of Ohio and nationally,

Now, therefore, the Parties agree as follows:

Statement of Intent: Through this Agreement, each Party intends to facilitate collaboration and cooperation between the Parties in areas of mutual interest for the purpose of creating a clear and cost-effective means to complete the requirements of the Cincinnati State Technical & Community College AAS Computer Network Administration-Computer Support Major (CSA) degree followed by the Bachelor of Science in Information Technology ("BSIT") offered by UC-SoIT online (the "Program). Each Party further intends to learn from the other Party, in a spirit of collaboration, equality, and mutual interest

Scope: Each Party agrees to exercise reasonable effort to complete the following:
UC-CECH:
- Accept students who maintain a GPA of 2.0 in the courses completed while enrolled in the pathway portion under Cincinnati State Technical & Community College, as defined in the academic plan, attached hereto as Appendix A.
- Deliver the bachelor completion courses in an online format, as defined in the academic plan, attached hereto as Appendix A.
- Assist in promoting and marketing the pathway.
- Collaborate with Cincinnati State Technical & Community College faculty and staff to ensure consistency.
- Exercise good faith effort to ensure the success of the pathway.
- Provide academic advising to students in a collaborative effort to ensure associate degree completion and the transfer of students to the UC/SoIT BSIT program.
- Appoint a contact person for the Program.
- Provide out of class meetings and activities (advising, career development professional development, etc.) in connection with the Program at Cincinnati State Technical & Community College/Location.

Students participating in this program will have all the rights and privileges, and be required to satisfy the same academic criteria as those students who began their initial enrollment in the Bachelor of Science in Information Technology offered by UC-SoIT.

Cincinnati State Technical & Community College:
- Communicate admission criteria to the pathway defined in this agreement to ensure students' success.
- Deliver the agreed upon courses (toward the both the Associates and Baccalaureate) defined in the attached academic plan.
- Complete all assessment reports needed by UC-SoIT to maintain ABET accreditation (http://www.abet.org)
- Assist in promoting and marketing the pathway.
- Collaborate with UC-SoIT faculty and staff to ensure consistency.
- Exercise good faith effort to ensure the success of the pathway.
- Provide academic advising to students in a collaborative effort to ensure associate degree completion and the transfer of students to the UC-SoIT BSIT program.
- Appoint a contact person for the Program.
- Make space available at its Cincinnati State Technical & Community for UC to provide out of class meetings and activities in connection with the Program.

Term and Modification: This Agreement takes effect on the date both Parties have signed, and terminates after the admission of three cohorts, unless the parties otherwise agree. After the admission of the third cohort, the Parties will review the Agreement to determine if it should be continued or revised; thereafter this Agreement will extend automatically with the admission of each new cohort unless the Parties agree to changes.

The program coordinators from both Parties will meet at least once per year to review the progress of the Agreement and recommend actions to their program directors. Any modification to this Agreement shall not be valid unless made in writing and signed by both Parties.

Termination: This Agreement may be terminated by either Party immediately upon written notice to the other Party. Notice is effective when deposited in care of each Party's responsible representative, named below, or when otherwise reasonably effectuated. In the event of termination, the Parties will ensure that students enrolled in the program prior to termination are supported until they graduate, withdraw, or are dismissed.

Cincinnati State Technical & Community College & University of Cincinnati Curriculum Equivalencies

The following suggested course sequence includes all course requirements for this articulation agreement (e.g. courses required for the BS Information Technology – Networking & System Administration Track). You should consult with an academic advisor each semester to ensure you maintain appropriate degree progress and are fulfilling all requirements for the agreement. *Course sequencing below assumes a fall start date. If starting the program during any other term, please consult with your academic advisor.*

For details beyond course planning, please consult with your academic advisor or the Transfer & Transition Advising Center (transfer@uc.edu).

Courses with a "*" indicator are courses taken at Cincinnati State Technical & Community College.
Courses in **bold** are taken through UC in an online format.

SEMESTER 1					
Cincinnati State			**University of Cincinnati**		
Course ID	**Course Title**	**Cr Hr**	**Course ID**	**Course Title**	**Cr Hr**

CO-OP 2

At the conclusion of their fifth semester, students will earn their AAS Computer Network Administration–Computer Support Major (CSA) from Cincinnati State Technical & Community College and transfer to UC. They will complete the remaining semesters at UC while taking the identified Cincinnati State Technical & Community College courses. *Students should work with their UC and Cincinnati State Technical & Community College advisors to finalize their degree plan and develop their co-op schedule. Students will be required to complete 3 semesters of co-op experience through the University of Cincinnati (not mapped below).* Course sequencing below is a template only and assumes a fall start date. If starting the program during any other term, please consult with your academic advisor.

Remaining Coursework at University of Cincinnati

SEMESTER 5		
Course ID	**Course Title**	**Cr Hr**
IT 1081C	System Administration	3
*ENG 104	Composition & Technical Communication *(equivalent to UC ENGL 2092; counts for ENGL 4091)*	3
