

TRANSFER ARTICULATION AGREEMENT

Lorain County Community College, Associate of Applied Science,
Occupational Therapy Assistant
to

University of Cincinnati, College of Allied Health Sciences,
Bachelor of Science in Health Sciences: Pre-Occupational Therapy (ONLINE)

Originating Institution: Lorain County Community College (LCCC)

Degree/Program: Associate of Applied Science (AAS) / Occupational Therapy Assistant (OTA)

Target Institution: University of Cincinnati / College of Allied Health Sciences

Degree/Program: Bachelor of Science (BS) / Health Sciences: Pre-Occupational Therapy (Online)

Introduction: This agreement details the applicability of courses from the Lorain County Community College AAS OTA to the BS Health Sciences: Pre-Occupational Therapy (Online) in the UC College of Allied Health Sciences. Students who complete the AAS OTA at Lorain County Community College have satisfied the UC General Education requirement.

A maximum of 90 semester hours transferred from Lorain County Community College (50 credits from OTA program and any excess credit) will apply toward the 120 semester hours required for the BS Health Sciences: Pre-Occupational Therapy (Online). Dependent on the number of semester hours transferred, students may be required to take additional coursework at UC to meet the total of 120 semester hours for graduation.

Articulation Overview: Graduates from Lorain County Community College who have followed the prescribed program, completed the AAS, and are accepted into the College of Allied Health Sciences will enter at junior standing in the BS Health Sciences: Pre-Occupational Therapy (Online) program. All degree requirements are completed online.

Admission Criteria: *Note: completing the courses on the addendums below does not guarantee admission to the UC BS Health Sciences: Pre-Occupational Therapy (Online) program.

A student must:

- Hold an AAS degree from the Occupational Therapy Assistant program at Lorain County Community College.
- Hold credentials as an occupational therapy assistant as certified by the National Board for Certification in Occupational Therapy; conditional acceptance is granted into the program for those who are eligible to take the OTA exam and have a plan in place to complete the exam.
- Complete a UC application (including submission of official transcripts from all institutions attended and payment of application fee).
- Pay UC's matriculation fee.

Minimum GPA: 2.5

Admission Period: Lorain County Community College students must be admitted to the UC College of Allied Health Sciences during the duration of this agreement (i.e. between July 2022 and July 2025).

Agreement Execution Date: July 2022

Agreement End Date: July 2025

EXECUTION, DURATION AND REVIEW OF AGREEMENT:

This agreement becomes effective upon its signing by the Deans of both Colleges and will remain effective for three years. At the end of this time, the agreement will be reviewed and may be renegotiated. Lorain County Community College and the UC College of Allied Health Sciences agree to keep one another informed as program changes affecting

the agreement occur. The Deans of both Colleges will agree upon any future additions and/or amendments to this document in writing.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum.

Lorain County Community College students are encouraged to work closely with their academic advisor to monitor possible changes. See attached appendix for course equivalencies and transfer degree map.

Curriculum Equivalencies

The following suggested course sequence assume a fall start date and includes all course requirements for this articulation agreement (e.g. courses required for the LCCC AAS OTA program and remaining UC courses for the BS Health Sciences: Pre-OT program). You should consult with an academic advisor each semester to ensure you maintain appropriate degree progress and are fulfilling all requirements for the agreement. Course sequencing below assumes a fall start date. If starting the program during any other term, please consult with your academic advisor. For details beyond course planning, please consult with your academic advisor or the Transfer & Transition Advising Center.

Recommended Elective Coursework

Based on the current curriculum, students will need to take 17 credit hours to meet the 120-credit hour graduation requirement. A list of recommended elective courses to enhance your degree, including options for minors or certificates, will be provided by your enrollment advising team upon admission to the program. Elective course options are subject to change but currently include a certificate in developmental disabilities, disabilities related topics, health administration and management, community health, among others. However, students may choose any college-level credit-bearing course to meet their electives given that they meet course requirements.

Master List of Required Coursework

Below is the master list of all courses required for the BS Health Sciences: Pre-Occupational Therapy Online program. Course offerings may change per semester. This table should serve as a guide to assist in planning courses, but you should consult your student success coordinator for guidance and assistance.

Students can take more courses per semester in order to accelerate their time to degree. Attending part-time may impact your financial aid eligibility; please consult a financial aid representative for further information.
