

# Transfer Degree Map

FROM

Lorain County Community College  
**Associate of Applied Science  
Occupational Therapy Assistant**

TO

University of Cincinnati  
**Bachelor of Science  
Health Sciences: Pre-Occupational  
Therapy ONLINE**

This agreement is valid from **July 2022** to **July 2025**

## Admissions & Deadlines

**Transfer Admissions Information:** [admissions.uc.edu/information/transfer](https://admissions.uc.edu/information/transfer)

### Admission Criteria:

- Completion of the courses on this worksheet does not guarantee admission to the UC program.
- Students who complete the AAS OTA at Lorain County Community College have satisfied the UC General Education requirement.
- A student must:
  - Hold an AAS degree from the OTA at Lorain County Community College
  - Hold credentials as an occupational therapy assistant as certified by the National Board for Certification in Occupational Therapy; conditional acceptance is granted into the program for those who are eligible to take the OTA exam and have an plan in place to complete the exam.
  - Complete a UC application (including submission of official transcripts from all institutions attended and payment of application fee).
  - Pay UC's matriculation fee.
- Students must be admitted to the UC College of Allied Health Sciences during the duration of this agreement.
- Minimum GPA: 2.50

## Curriculum Equivalencies

The following suggested course sequence assume a fall start date and includes all course requirements for this articulation agreement (e.g. courses required for the LCCC AAS OTA program and remaining UC courses for the BS Health Sciences: Pre-OT program). You should consult with an academic advisor each semester to ensure you maintain appropriate degree progress and are fulfilling all requirements for the agreement. Course sequencing below assumes a fall start date. If starting the program during any other term, please consult with your academic advisor. For details beyond course planning, please consult with your academic advisor or the Transfer & Transition Advising Center.

PSYC 2030	Sensation & Perception	3	Fall, Spring

## Recommended Elective Coursework

Based on the current curriculum, students will need to take 17 credit hours to meet the 120-credit hour graduation requirement. A list of recommended elective courses to enhance your degree, including options for minors or certificates, will be provided by your enrollment advising team upon admission to the program. Elective course options are subject to change but currently include a certificate in developmental disabilities, disabilities related topics, health administration and management, community health, among others. However, students may choose any college-level credit-bearing course to meet their electives given that they meet course requirements.

## Master List of Required Coursework

Below is the master list of all courses required for the BS Health Sciences: Pre-Occupational Therapy Online program. Course offerings may change per semester. This table should serve as a guide to assist in planning courses, but you should consult your student success coordinator for guidance and assistance.

Students can take more courses per semester in order to accelerate their time to degree. Attending part-time may impact your financial aid eligibility; please consult a financial aid representative for further information.
